

Wojciech Staszewski

COMPUTER SCIENCE STUDENT

I am passionate about innovations, modern technologies, electronics and a student of computer science at the University of the National Education Commission in Krakow. I have the title of IT technician obtained from the Electrical School Complex in Kielce, which confirms my qualifications in the installation and operation of computer systems, peripheral devices and networks, as well as programming, creating and administering websites and databases.

SKILLS

Basic Knowledge: C, Java, HTML5, CSS, JS, SQL, PHP

Electronic Repair

Computer and Phone Maintenance

Operating Systems Management

Computer Network Management

CAD modeling

Teamwork

Problem Solving

CERTIFICATES

Cisco CCNAv7

Switching, Routing, and Wireless Essentials

Qualification EE.08

Assembly and operation of computer systems, peripheral devices, and networks

Qualification EE.09

Programming, creating, and administering websites and databases

Cisco IT Essentials

PC Hardware and Software

LANGUAGES

Polish (Native)

English (B2)

EXPERIENCE

- **Programming Fundamentals:** Writing simple programs in C and Java.
- **Web Development and Game Creation:** Creating websites, including a portfolio written in HTML5, CSS, PHP, and JS, with an SQL database for posting comments, as well as computer games in Unity, such as a Mini Golf game.
- **Database Management:** Designing application schemes and databases for managing an amusement park.
- **Hardware Maintenance:** Maintaining and repairing electronic devices such as phones and computers.
- **Operating Systems:** Managing and configuring Windows and Linux operating systems.
- **Network Management:** Creating and managing logical and physical internet networks.
- **CAD Modeling:** Creating simple parts and assemblies in Autodesk Inventor, 3D modeling, and creating 2D drawings in AutoCAD, including technical drawings and documentation.
- **E-commerce:** Developing and managing a music store and plugins based on the WordPress CMS.

Detailed information about my projects is available on my LinkedIn and GitHub profiles.

EDUCATION

Computer science - Engineer (Engr.)

University of the National Education Commission
2022 - Present

IT Technician

Electrical School Complex
2018 - 2022

INTERESTS

Outside of studying and learning, I listen to a lot of music and play the guitar. You can also find me in the garage, where I often tinker with cars.
